The In-gathering Water Service
This is becoming an annual in-gathering service during which we bring a sample of water from someplace we visited, or an event we experienced over our summer break (symbolic water is fine). As the waters are mingled we tell of our travels, events or experiences. So don't be left dry and shy this Sunday.

TUPELO GROUP: Unitarian Universalist Fellowship of Tupelo meets every 1st and 3rd Sunday at 11a.m. at Temple B'Nai Israel 1301 Marshall St. Tupelo. We would love to have you come over. Check out our website www.msuua.org

<<<< A HOUSEWARMING GIFT >>>>>

A six inch ceramic Buddha has been given to us by Marianne Hill, a member of the Jackson, MS UUC. Marianne sits with a Buddhist group weekly, and she has learned that it is best to have a Buddha given, instead of purchased. It's a personal gift from Marianne. The Buddha is hand-crafted by Bebe Wolfe (she made the mold and is making more Buddhas -- though each is painted differently). Marianne says: "I enjoyed meeting with the Oxford UU group, and am happy to hear that you have found your own quarters. So consider this Buddha a house-warming present."

<<<<< FROM MARY BEASLEY >>>>>

The family doesn't let me do much of anything and are very protective. Our doctor has approved a handicap license tag which I will pick up on Thursday once we close and have our new address. I have been diagnosed with cataracts and have an appointment this afternoon. I have blood tests coming up and an MRI to be done in the near future but the doctors all agree, for my age I'm in great shape for the shape I'm in. My energy and enthusiasm are still at high level, the bod just doesn't want to co-operate. Our new address will be: 14269 Mosswood Drive Gulfport, Ms. 39503 No phone as yet

<<<<<<<< YOUTH >>>>>>>>>>>>>

Although the youth group did not give me a report, I want to make the congregation aware that they spent a lot of time, this summer, working on the building and grounds and helping to get our office, in the trailer, ready for use.
